

European Media Art Network presents

European Media Artists in Residence Exchange 2010

The European Media Art Network provides residencies in England, Germany, France and the Netherlands for European artists

With support of the City of Utrecht, the Arts Council of England and the regional municipalities of Saxony-Anhalt in Germany and Centre in France, the **European Media Art Network** will host up to six **European Media Artists in Residence Exchanges** within 2010.

Europe based Media Artists in the fields of digital media including internet and computer based art, filmmakers, sound and video artists are invited to apply for a two months artist residency at **IMPAKT**, Utrecht, Netherlands; **Bandit Mages**, Bourges, France; **FACT**, Liverpool, United Kingdom or at **Werkleitz** Centre for Media Arts in Halle, Germany. Students are not permitted, but young artists encouraged.

EMARE includes a grant of 2.000 Euro, free accommodation, up to 250 Euro travel expenses, access to the technical facilities and media labs and a professional presentation.

Entries should include the application form (downloadable from the website), a CV, (audio) visual reference projects documentation (no originals) and a proposal sketch for the project which should be developed within EMARE. Artists with residence in or identity card within Europe should contact one of the following institutions for further details and application form or visit the homepage: www.emare.eu
